How to play:

- Choose what type of story you want to write. Open your teller, alternating left/right and up/down, once for each letter.
- Pick a character from the options you see. Open your teller, alternating left/right and up/down, once for each letter.
- Pick a second character. Lift the flap to see one thing that will happen in your story. This is a plot element.
- Use the story type, two characters, and plot element you chose to write you own fairytale!
